Filters

So why choose Champion?

Champion motorcycle filters are precision-engineered to match or exceed OE standards. They are made from the highest quality materials and manufactured to exacting standards ensuring virtually zero defects. On the road (and off the road) they deliver maximum performance with unrivalled protection.

Advantages of choosing Champion

Extended life

Independent tests, (ISO 4548 - oil, and ISO5011 - air) have shown that Champion filters outperform the competition. We guarantee quality across our entire motorcycle filter program.

Life Cycle Efficiency

Tests carried out by independent source according to industry standard ISO 4548/4. The graph clearly shows that the Champion filter filters more efficiently than the competitor's filters.

Service Life Filter Efficiency

Superior performance

Our filter paper is unique and impregnated with resin that removes even the most damaging contaminants from the oil. Pleated, cured and mechanically joined to guarantee 100% filtration.

- Impregnated with sophisticated fibres ensuring rigidity, good tensile and burst strength
- Layers of fibres integrated across each other give the paper depth and structure
- Filter paper traps particles on the surface and also locks them inside the media allowing far fewer particles through the engine

Pourquoi opter pour les filtres Champion ?

Les filtres pour motos Champion sont développés selon des procédures d'ingénierie qui égalent, voire surpassent, les normes d'origine. Ils sont produits à partir de matériaux de qualité supérieure, en appliquant les normes de fabrication les plus strictes, garantissant l'absence virtuelle du moindre défaut. Sur la route (et en dehors des sentiers battus), ils assurent une performance optimale et une protection inégalée.

Avantages du choix Champion

Durée de vie plus longue

Des tests indépendants (ISO 4548 – pour le filtre à l'huile et ISO5011 – pour le filtre à air) ont démontré que les filtres Champion surclassent la concurrence et nous garantissons en plus de la qualité pour toute notre gamme de filtres motos.

Efficacité tout au long de la durée de vie du filtre

Tests menés par des laboratoires indépendants selon les normes ISO4548/4. Les résultats montrent que les filtres Champion sont plus efficaces que les filtres concurrents.

Longévité des filtres

Performance améliorée

Notre papier filtrant est unique et imprégné de résine qui élimine même les contaminants les plus néfastes de l'huile. Gaufré, durci et assemblé mécaniquement pour garantir un filtrage à 100%.

- Imprégné de fibres sophistiquées qui assurent rigidité et excellente résistance à la pression et à l'éclatement
- Le maillage des fibres donne structure et profondeur au papier
- Le papier filtrant capture non seulement les particules en surface, mais il les enferme également à l'intérieur du support, laissant passer nettement moins de particules vers le moteur
