# Allgemeine Information

LEMFÖRDER Markenprodukte garantieren Ihnen höchste Präzision und einwandfreie Funktion. Verlangen Sie deshalb immer die Original-Teile von LEMFÖRDER.

Für Ihre Anforderungen benötigen wir die vollständige Bestellnummer, zum Beispiel:

**LEMFÖRDER Lenkstange 27628 01**

In Zweifelsfällen geben Sie bitte auch Typenbezeichnung und Baujahr des Fahrzeugs an, für das der gewünschte Artikel bestimmt ist.

Bitte beachten Sie, dass wir die LEMFÖRDER Artikelnummern von fünf auf sieben Ziffern umgestellt haben. Die zwei zusätzlichen Zahlen fügen sich dabei hinter die bereits bekannten Nummern, so dass z. B. aus einer 12345 die 12345 01 wurde.

# General information

LEMFÖRDER brand products guarantee you the highest precision and flawless function. For this reason, you should always insist on original parts from LEMFÖRDER.

To fulfil your request, we need the complete order number, for example:

**LEMFÖRDER tie rod 27628 01**

In case of doubt, please give the type designation and year of manufacture of the car for which the desired part is intended.

Please note that the LEMFÖRDER article numbers now have seven digits instead of five. The two additional digits come after the original five. For example: 12345 would now be 12345 01. The new catalog numbers thus correspond once again to the item numbers familiar from invoices and delivery documents.

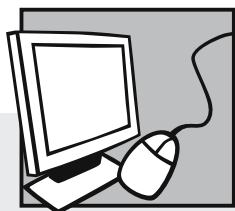

**All rights reserved. Duplication or joint use of this catalog – including excerpts – for creation of your own catalog is prohibited, unless approved in writing.**

**Replacement part numbers of the car's manufacturer serve only for purposes of comparison. Use of this type of designation in invoices to the vehicle's owner is not permitted.**

For current terms and conditions see [www.zf.com/de/trading/documents](http://www.zf.com/de/trading/documents)

The products listed in this catalog must be installed at a workshop by qualified personnel only.

# Informazioni generali

I prodotti LEMFÖRDER vi garantiscono la massima precisione e un funzionamento ineccepibile. Richiedete quindi sempre i pezzi originali LEMFÖRDER.

Per le vostre richieste necessitiamo del numero di ordinazione completo, ad esempio:

**LEMFÖRDER tirante sterzo 27628 01**

In caso di dubbio, indicate anche il modello e l'anno di costruzione del veicolo a cui è destinato l'articolo desiderato.

Si ricorda che le cifre dei codici articolo LEMFÖRDER sono passate da cinque a sette. Le due nuove cifre devono essere aggiunte ai numeri conosciuti. Il numero 12345 è quindi diventato 12345 01. Perciò, i nuovi codici catalogo corrispondono nuovamente ai codici articolo riportati nelle fatture e nelle bolle di consegna.

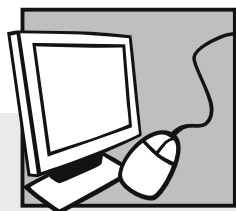

**Tutti i diritti riservati. Riproduzioni o il cointerpretazione, anche parziali, del presente catalogo per la realizzazione di un catalogo proprio non sono consentiti senza previo consenso.**

**I numeri dei pezzi di ricambio del costruttore del veicolo sono indicati esclusivamente a scopo comparativo. Non è consentito utilizzare tali indicazioni nelle fatture destinate ai proprietari dei veicoli.**

# Общая информация

Продукция марки «LEMFÖRDER» гарантирует Вам наивысшую степень точности и безупречность в работе. Поэтому всегда требуйте оригинальные детали фирмы «LEMFÖRDER».

Чтобы удовлетворить Ваши требования, нам необходим полный номер заказа, например:

**LEMFÖRDER продольная рулевая тяга 27628 01**
